

# RiDori Language — Official Pack v2.0

Founder & Author: Ritika Mukherjee

## About RiDori

RiDori is a minimal, globally pronounceable constructed language designed for rapid learning, clarity, and digital friendliness. Version 2.0 establishes the formal structure, grammar, and expanded vocabulary required for public adoption and educational use.

## Core Grammar Rules

- Sentence order: Subject – Verb – Object (SVO).
- No gender distinctions in pronouns.
- No verb conjugation; use time markers: pa (past), fu (future).
- Adjectives follow nouns.
- Plural optional marker: ya.
- Questions formed by adding 'ke' at sentence start.

## Pronouns

English	RiDori
I	mi
you	tu
